

Representative to Quaker Earthcare Witness

The Quaker Earthcare Witness (QEW) representative/liaison position is flexible enough to fit a range of needs and opportunities.. Basically, being a QEW representative means 1) having one's name registered as a Monthly Meeting Representative with QEW in order to receive any action alerts and other announcements that QEW wants to share with the Monthly Meeting and 2) reporting to QEW any Earthcare-related activities by the Monthly Meeting that seem newsworthy for the BeFriending Creation newsletter or website.
